SCOPE OF WORK

- Interior painting at above address.
- Kitchen, kitchen floor, toilet, toilet floor, windows, door handles and hinges masked/covered.
- Areas to be painted, filled and sanded.
- All previously varnished trims and doors sanded and undercoated with Resene Waterborne Quick Dry.
This product WILL adhere well. Any other filled areas will also be undercoated.
- Ceilings and walls painted with 2x coats of Aalto tradeline low sheen.
- Surfaces sprayed and back rolled to leave an even stippled finish. This allows ceilings to be washable.
- Doors, window frames and trims (post undercoat) 2x coats Aalto Satin water based enamel.
- All work will be of a very high standard.

EXCLUSIONS

- Kitchen cabinetry, stairs, hallway closet, exterior or front door, garage.
- Major plaster work (if entire walls need to be skim coated).
